Executive Overview & Operating Philosophy

About Ideal Pest Management Service

Ideal Pest Management Service (IPM) is a premier, full-spectrum pest control enterprise dedicated to maintaining pest-free, hygienic, and structurally secure environments for corporate commercial establishments, industrial complexes, healthcare institutions, aviation facilities, and residential communities.

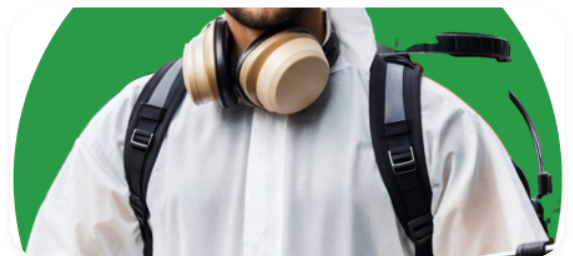

Guided by modern entomological research and stringent Environmental Health & Safety (EHS) guidelines, IPM delivers long-term pest elimination through customized Integrated Pest Management (IPM) protocols rather than temporary chemical sprays.

Our Mission

To safeguard human health, commercial assets, and food supply chains using eco-responsible pest solutions.

Our Vision

To set national benchmarks in green pest management, certified compliance, and zero-disruption delivery.

1. Scientific Identification

Species-specific gel & piping treatments.

2. Zero Disruption

After-hours, night & weekend slots.

3. Child & Pet Safe

Odorless, herbal & WHO-grade products.

4. Stamp Warranty

HACCP logs & stamp paper warranties.

Government Licenses & Quality Certifications

ISO 9001:2015 Certified

Internationally audited Quality Management System for pest management procedures and chemical handling safety.

Govt. Licensed Operator

Authorized Commercial & Domestic Pest Control License issued by the Department of Agriculture & Municipal Bodies.

CIB & RC Approved

100% Central Insecticides Board & Registration Committee approved chemistry (Bayer, Syngenta, Tata Chemicals).

Stamp Paper Warranties

Legally binding written warranties on stamp paper for Pre & Post-Construction Termite Piping and Soil Treatments.

HACCP & Food Safety Ready

Strict compliance protocols suitable for Food Processing Units, Commercial Kitchens, Airports, and Hospitals.

IPCA Member Standards

Operates in alignment with Indian Pest Control Association standards for field technician safety & training.

Service Capabilities & Solutions Matrix

Service Domain	Target Pests / Scope	Technology & Chemical Grade	Warranty / AMC Terms
Pre & Post Construction Termite Treatment	Subterranean Termites, Wood Borers	Imidacloprid / Bifenthrin 8% SC Chemical Soil Barrier & Underground Piping System	Up to 10 Years Warranty
Commercial & Corporate IPM	Cockroaches, Ants, Rodents, Flies	Advanced Odorless Bayer Gel Baiting, Micro-Emulsions & Traps	Annual Contract (AMC)
Rodent Exclusion & Management	Rats, Mice, Bandicoots	Ultrasonic Electronic Deterrents, Tamper-Resistant Bait Stations & Exclusion Sealing	Quarterly / Monthly Audits
Bed Bug Thermal & Spray Eradication	Bed Bugs & Nymph Eggs	Dual-Phase Synthetic Pyrethroid Spray + Deep Thermal Steam Flushing	100% Elimination Warranty
Mosquito & Vector Management	Aedes, Anopheles, Culex Mosquitoes	Cold Misting, Thermal Fogging & Larvicidal Water Treatment (Abate)	Seasonal / Year-Round
Bird Netting & Spikes Protection	Pigeons, Crows, Seagulls	UV-Stabilized High-Density Garware Netting & Marine-Grade SS Spikes	3 to 5 Years Warranty
Microbial Disinfection & Sanitization	Viruses, Bacteria, Fungi, Spores	Quaternary Ammonium Compounds (QAC) Cold ULV Fogging	On-Demand / Periodic
